

THANK YOU for helping us to care for your community

Your Bequest will make a difference.

OZCARE relies on community support to provide the high quality of services our community deserves.

There are no administration charges on Bequests to Ozcare and every dollar received is used to provide service in the area specified. Our focus is on helping Queenslanders, in particular the aged, frail, disabled and disadvantaged.

Leave a lasting legacy and help others by remembering Ozcare in your Will. If you decide to support Ozcare by including a Bequest in your Will, the following information may be helpful.

There are various types of Bequests. The most common forms include:

- A gift of money or income from your estate.
- A gift of property, shares, bonds, life insurance, furniture, etc.

You may prefer to leave money or assets in your Will by establishing your own named fund.

If you are considering making a Bequest to Ozcare, your Will needs to include the following appropriate wording. Please mention if you wish to make a Bequest to a particular program.

'I give and bequeath to Ozcare the sum of \$..... for the purpose of providing the service of <aged care, community care, community health or community support> and other similar services and I declare that the receipt of the Chief Executive Officer or the Chairman of Ozcare for the time being shall be good and sufficient discharge to my Trustees for this Bequest and I declare that in making this Bequest I have a general charitable intention.'

Perhaps you would like to discuss the idea of a Bequest with us in more detail. To arrange a confidential appointment or to obtain further information, please phone (07) 3028 9000, or complete the following information and we will contact you.
